Re: Collar City Auctions Realty & Management Company, Inc.

To Whom It May Concern:

Collar City Auctions has been conducting tax sale auctions for Schenectady County for the past 15 years.

We have been very pleased with their performance and results over the years.

We have received maximum revenues from our sales due to the expertise, knowledge and marketing network of Randy Passonno, President of Collar City Auctions.

We can highly recommend Collar City Auctions to perform superb auction services with maximum results, as we have experienced here in Schenectady County.
